KEY POINTS ABOUT REVERE HEALTH

- Accepts all major insurances (including SelectHealth)
- Offers same-day and telehealth appointments. In many cases, same-day appointments with primary care providers
- Provides urgent care services 7 days a week from 8 am to 8 pm (some exceptions)
- Excels nationally in value-based care—a growing healthcare model focused on proactive, preventative care that improves patients' quality of life and keeps costs down
- Provides patients with a secure, online patient portal enabling them to directly message providers, renew prescriptions, receive immediate results of diagnostic tests, and access medical records 24-7
- Care coordination regardless of location or provider seen
- Free online portal which allows you access to all your medical information and to communicate virtually with your care provider in a secure manner

Revere Health is committed to providing expert, personalized, and quality care at every stage of life.
